The Jack Russell Terrier Museum & Crawford Library will document and display the history and heritage of the Jack Russell Terrier. It is currently being developed in Hunt Valley, Maryland, adjacent to the JRTCA home office, and is well underway.

The mission of the Museum is to preserve the unique Jack Russell Terrier, to prevent change to this amazing little white dog that so far has survived physical and mental changes brought about by kennel club type showing. It has remained the feisty little white hunting terrier that was bred to bolt foxes more than 200 years ago.

With today's confusion brought about by the kennel club "variants" of our breed, this is more important than ever. Educating the general public, and all those interested in this terrier, is critical to its survival.

With the help of all true Jack Russell enthusiasts, we can build and maintain this wonderful tribute to our breed, and to Mrs. Ailsa Crawford, whose foresight in forming the JRTCA and its registry were instrumental in the terrier's preservation.

Please help us to carry on the Jack Russell's tradition and heritage by helping to build up the Museum & Library. Many donations are needed, from dollars to collectibles and displays. We especially need many old photos at this time.... Dogs and people from pre-1995 who were influential in developing the breeding lines that became our foundation in the JRTCA.

If you would like to help in any way, please stop in and see us at the trial, visit our web site, or call any board member listed or the office! It is a great project, and needs your support! The Museum is incorporated as a 501(c)(3), your donations are tax deductible!

General Rules for All Exhibitors

1. All sanctioned classes are open to Jack Russell Terriers only.
2. Exhibitors and owners of terriers entered must be current JRTCA members, and must not be a member of a conflicting JRT organization or register their JRTs in any all-breed registry or conflicting JRT organization registry. If a violation is confirmed after the trial, placements will be voided from all JRTCA records. Exhibitors must submit a completed entry form including a signed waiver for every trial they enter.
3. Entries MUST be within the 10-15" JRTCA height standard for all sanctioned classes (with the exception of pups who have not yet met the 10" height standard); measuring devices will be available on the trial grounds.
4. Puppies (under 12 months of age) are not eligible for championship in any division but their own. Puppies are eligible to compete only if they have reached their four-month birthday (not 16 weeks). A puppy's age is the actual age the pup is on the day of the trial.
