MUSEUM UPDATE

We plan to have a newsletter posted every 4 months. The newsletter will consist of many factors. We will have a "spotlight" every newsletter which will consist of highlighting a special family or person and their terriers.

I want to thank everyone for all their hard work and donations making the First Museum Trial such a success. Judy has posted the names of our sponsors separately. If you see

them at a trial take a moment to thank them for their donation to YOUR Museum. This museum is for you and your wonderful terriers.

It will be a place for you to visit with your family and friends and

share with them why this is such a special dog and a True Jack Russell Terrier. Our goal is to buy a place for the museum that will be used to house the museum and the JRTCA club office. Everything will be on one site working together. We have found a farm that the museum board thinks would be perfect. It has a nice house and barns on the 60 acres. We would be able to have Nationals on this site which would

save the club money. It would also make setting up trials so much easier as we would have everything there. We would be able to have hunting seminars, fun days, and other events at the farm.

We have a promise of \$100,000 for a down payment. We need to come up with about \$80,000 more to secure the down payment for this property. We have set up a "go fund

me" account you can donate to. Please share this Homestead Goal with dog lover friends. If each and every member would donate \$40.00 toward the Homestead Fund, we can reach our goal!

We will have a booth at Nationals where you can make a donation, pick up literature, or ask questions. Museum Board members are more than happy to talk with you about The Homestead and Museum plans.

JRT BENEFIT TRIAL

June 2018

Now let's talk some about the museum trial that was held in June. What a huge success thanks to ALL of you. We made almost \$10,000 after paying our expenses. How were we able to make that much money on our first trial? The Tynos donated ALL their proceeds from the TNT Tunnel and bought a beautiful embroidered chair for the Fastest Time of the weekend. Please see pictures. Wayne May donated ALL proceeds from Lure coursing.

Patti Kupczyk donated the food and All proceeds from the Friday night dinner. Thank you to all our many sponsors that donated to the trial. We had a lot of the classes sponsored.

Our Judges in conformation, racing, go to ground, super earth, and barn hunt donated their judging fee. Charles Hickey donated ALL proceeds from Baer testing. Pat Winslow donated a beautiful picture she painted which brought us \$200.00. Woody Harrell made one of his beautifully carved boxes and donated a couple beautiful glass dog statues. We kept one to showcase in the museum. Emory and Sam Vaughn donated beautiful handmade wine stoppers with the museum logo pin on top. Everyone wanted one of these as they are so beautiful. Please see picture. Thank you to Carrie Kelly for donating her father's camera and equipment to the museum. It will be put to good use. She read of our need in True Grit and responded. Many of you brought such beautiful and generous raffle prizes. Thanks to Catherine Brown, Shelly Holland and Bettyann Senf for the fantastic job running the raffle. Joan Crouse donated and put together the beautiful welcome baskets for our judges. So many people came early Thursday to help with all the set up and helped with tear down. Thank you ALL.

The museum plans on having another trial but we haven't come up with a date nor place yet. Please check the website regularly.

Please check back later to see who is "Highlighted" on the museum website.
